

MILITARY RECRUITMENT "OPT OUT" REQUEST FORM

Section 9528 of the ESEA, "No Child Left Behind Act," requires schools to release secondary scholars' private information (i.e., names, addresses, and phone numbers) to military recruiters upon request unless a parent/guardian of a secondary scholar or the scholar (if of majority age) chooses to "opt out" in writing. This form serves as a request to withhold this information from the Military Recruitment list, if requested.

_____ As the parent/legal guardian, I am exercising the right to "opt-out" and request that you do not release the following scholar's private information (i.e., name, address, and telephone number) to the Armed Services, military recruiters, or military schools.

_____ As a scholar of the age of majority (18 years or older), I request that my private information (i.e., name, address, telephone number) not be released to the Armed Services, military recruiters, or military schools.
